Our topic this half term, linked to Bletchley Park, looks at both historical and geographical aspects of the curriculum. The children will begin by looking at the land use of Bletchley and surrounding areas and move on to learn about Bletchley Park and its role in WW2.

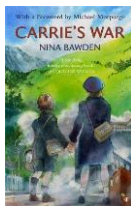

In Science the children will be learning about living things and their habitats.

Throughout the Half Term, we will be covering Narratives and Instructions. All of the different Writing activities will be linked to our Bletchley Park topic.

The children will continue learning about Bletchley Park through Topic lessons and it is closely linked to all guided reading sessions.
