Dear Abbeyes' Families

School Newsletter: June 2019

DIARY DATE REMINDER: The children have been practising hard during their PE lessons and we are looking forward to celebrating our annual **Sports Day**, on **Thursday 18th July** with all our families. Key Stages 1 and 2 have a start time of 10.00 am, and Early Years (in Fountains and Glastonbury classes) will begin at 10.30 am. There will be a BBQ and refreshments available, so we hope you can join us, and bring a picnic lunch to eat on the field, weather permitting. **Please note there won't be any hot school meals that day, so any lunches ordered will be a packed lunch.** If you would like to take your child home early, at the end of Sports Day, they must be signed out on the register held with their class teacher.

Children won't be able to leave school any earlier than 1.30 pm. Many thanks, I hope you can join us.

Scooters and Bikes in School

If your child rides their bike or scooter to school, it must be put into the bike park as soon as they arrive, and cannot be ridden around on the playground. We almost had a collision last week when one rider ignored this very important safety rule. I don't want to ban anyone from travelling to and from school on their bike or scooter, but we have toddlers and babies in buggies on the playground first thing, as well as all our pupils, so we need to keep it safe.

The children in our Early Years Foundation Stage had a really lovely day out at the Green Dragon Eco Park as part of their summer term topic work. Everyone was beautifully behaved, and the weather wasn't too unkind, so the trip was a great success. Well done all the children in Fountains and Glastonbury, and thanks to the adults for the effort they put into making the day so enjoyable.

At the other end of the school our Year 5&6 children enjoyed an adventurous few days on their residential visit to Bromham Activity Centre. They slept in tents and worked in teams to take part in a great variety of outdoor adventurous activities and challenges. I dropped by with some emergency rations, to find out I'd missed out on the giant inflatable assault course challenge—thank goodness for that traffic jam! Well done to all the children and the adults who volunteered for 24 hour shifts to make sure the children had a great time.

Best wishes

Sophie Good

Please check the attached Diary Dates for the rest of the school year. There are some really lovely opportunities to be part of the school community over the next few weeks and we wouldn't want you to miss any of them!
