Newsletter: July 2019

Dear Abbeys' Families

Welcome to the last newsletter of the year. As always, the end of term seems to come around very quickly, with lots to do, but we have a hardworking team at Abbeys, and we are preparing to end the year with lots of achievements and many happy memories. One of my biggest, but most rewarding jobs at this time of year, has been reading every child's annual report, and adding my own comments. I'm so proud of their successes and progress! Thank you to everyone who returned a feedback sheet, as we do value your comments.

**We look forward to seeing
as many of you as possible
at Sports Day on Thursday.**
There will be no hot lunches
in school, with packed lunch
provided for anyone who has

ordered school lunch that day. Refreshments will be available all morning, and there will be a BBQ available from 12.00. The children will have a picnic lunch on the field at the end of the sport activities. Families are very welcome to bring a picnic and join us. Gazebos and garden umbrellas are also welcome! You can take your child home after lunch if wished, by signing them out with their teacher, but please note the earliest time the children can leave school will be 1.30.

Daisychain Family Centre will be open on our Abbeys site throughout the summer holidays. The Community Fridge and Meal in a Box are available to any of our families who may need to pop in.

Goodbye and Good Luck!

As we reach the end of the year it is time to say goodbye to our lovely Year 6 children. We wish them luck for the big world of secondary school and hope they won't forget us. Last week's Prom was a highly successful and enjoyable evening where all children and staff dressed to impress and partied hard!

We are also saying a goodbye and a farewell to two of our teachers. Mrs Bolton has been part of the Abbeys team for over eight years, including returning to work part-time after having her children. She has now decided to move on for family reasons, and we wish her all the best for the future. Miss Lambert is also leaving us to work in specialist education, which we hope she will enjoy.

We've buried our 50th Anniversary Time Capsule! This time we have put a plaque up, and three new trees, to mark the spot. Fingers crossed it will be more easily located in decades to come than the original one buried in the 1968-69 academic year. It's whereabouts remain a mystery.

Best wishes

Mrs Sophie Good
Headteacher

Year 6 Leavers' Assembly:

All families of our Year 6 children are invited to the Leavers' Assembly **this Friday at 9.00 am**. This will be a lovely way to say goodbyes, but please remember your tissues, as it can get a little emotional!
