23rd February 2021

Dear Parents and Carers

Reopening of Schools

Most of you will be aware of the Prime Minister's announcements on Monday evening, outlining arrangements for the easing of the national lockdown.

The first step will be the full reopening of schools from Monday 8th March, with attendance mandatory for all pupils. This is really positive news, and we look forward to welcoming everybody back into school from this date.

In order to maintain safety at Abbeys whilst working towards further lifting of national restrictions, year group bubbles will continue to operate in separation throughout the school day. Playgrounds will be open, and we would ask that wherever possible, one adult per family accompanies your children into school, and that face coverings continue to be worn unless you are exempt.

Best wishes

Mrs Sophie Good
Headteacher
