SCHOOL CLOSURE FRIDAY 18TH DECEMBER

Dear Parents and Carers

The Government Minister for Schools, Nick Gibb has today announced that schools may schedule an inset day next Friday 18th December to allow six clear days before Christmas Eve. This will ensure that school staff do not have to engage with track and trace issues throughout the break, and reduce the risk of pupils and staff having to self-isolate over Christmas.

Therefore the last day of term for Abbeyes will be Thursday 17th December.

The school will be closed to pupils on Friday 18th December.

Please be aware however that schools will need to continue contact tracing in the event of any positive cases being confirmed up to Wednesday December 23. This means that families could be informed up until this date of the need to self-isolate.

If you have any queries, please do not hesitate to contact myself or a member of the School Office team.

Yours faithfully

Mrs Sophie Good
Headteacher
