Mrs Sophie Good, Headteacher

November 2020

Coronavirus Pandemic

Government lockdown restrictions come into force from **Thursday 5th November**. In line with these rules, the following measures will be compulsory on the Abbeyes' site from the same date:

- School gates will open at the later time of 8.30 a.m. and be manned by a member of staff.
- One person only per household to drop off and collect children. Where possible, children can be dropped at the gate and go straight to their line.
- Face coverings must be worn on the school site. If you have proof of exemption, use the front entrance to school, not the playground.
- If you or your child have additional needs, use the front entrance to school.
- Contact with teachers must be made through the School Office, either to share information or request a callback, not on the playground or at the classroom door.

These measures will remain in place at least until we break up for the Christmas holiday on Friday 18th December. Please remember and respect the rules, to help keep our families and school staff safe.

Mrs Sophie Good
Headteacher
